

A Note from the Director

Greetings Friends of the New Hampshire Conference and beyond! Who says camp is just for kids? Not us! Adults need time apart too. Time to relax, to change the routine, to listen for God and to make new and renewed connections with others. Throughout life's journey these are basic needs and Horton Center is a place to help meet them. This guide is designed to help you prepare for your time at HC and to know what to expect. It is my hope and my prayer that you will join us this summer and let the stress of daily life melt for just a short while to reveal the profound, fun, and often neglected camper that needs to sit on a porch and read, jump in the water, sleep, walk alone in the woods, or stay up late connecting with others. And when the time comes to return home, my hope is that you will have tapped that deep well that gives purpose and meaning to living, and gained new perspective that brings a tangible sense of the divine to all facets of your life. Welcome.

Leslie

Rev. Leslie Chatfield, Acting Director of Outdoor Ministries, Maine and New Hampshire Conferences, UCC

About Your Time at Camp

Camp Leadership: Each session at Horton Center is organized by volunteer leaders called deans. Most sessions have two deans who are responsible for recruiting their volunteer counselors and organizing the program and schedule. Because the deans and counselors at HC are volunteers there for your event only, they bring a fresh and exciting feel to each session. Shortly before your session is to begin, you will receive a letter from your deans either by email, or U.S. postal mail. This letter will describe the theme, outline special events, tell you special things to bring, and let you know of any deviation from information in this guide (for example, pick-up time.) Deans' letters are also posted online so if your event is getting close and you haven't received it, check online first, then give us a call.

Adventure Activities: Horton Center offers many outdoor adventures. Rock climbing and caving are activities that are led by the staff only. No persons should attempt to climb or cave without staff supervision. If you are going on a hike without a staff person, we recommend using the buddy system. You must let a leader or staff person know where you are going and let them know you have returned. If a water activity is planned, off site, there needs to be a Horton Center lifeguard present.

Camp Road: Please note that the camp road is steep and narrow in some places, but what awaits you at the top is well worth it! Take the road slow, 15mph or less, and make good use of the turn outs on the road. There will be a staff member at the bottom of the road to greet you and give you further instructions. **The camp road is open for two way traffic. Please drive slowly!**

Arrival and Departure: Many of our Adult camps are flexible in arrival and departure dates, unlike our youth and family camps. Please inform the camp office of your arrival and departure dates and times.

Visitation: Please do not arrange visits from non-participants during your event

At Camp

***Camp Store & Ice cream:** The camp store sells postcards and stamps, Horton Center T-shirts, hats, and flashlights, memorabilia, and necessary items such as toothbrushes and combs. Started in 2013, all new Horton Center wear will be certified sweat-shop and child labor free! Horton Center also sells ice cream during afternoon ice cream time for \$1 a cone. All proceeds from the Horton Center store go directly to support the ministry of Horton Center. At family camp events the store will accept cash, check, and **new in 2017 credit cards**, whenever it is open during your session. Store accounts are not necessary during family camps.

Mission Project: Horton Center will participate in a summer long, camp wide mission project. Campers will focus on the mission project through hands-on engagement and learning, with an opportunity to give an offering. This year's mission project will be shared on www.hortoncenter.org. Your dean's letter will include more information as well.

U.S. Mail to campers: Everyone loves getting mail at camp! Have friends and family send you mail this way: Camper's Name, Name of session (ie: "Family Camp"), Horton Center, PO Box J, Gorham NH, 03581

A Typical Day at HC: No two days are exactly alike and no two weeks have the exact same schedule, especially for our adult camps. There are, however, rhythms to the day around which most sessions drape their program. Generally the framework of the program looks like this:

Morning – wake up, breakfast, Chapel at Chapel Rock, programming & activities

Afternoon – lunch, siesta, programming & activities

Evening – Dinner, Evening Vespers (worship), evening program

Phone Calls and Off-Hour Emergencies: Camp Phones are available for use only in case of emergency. The camp phone is 603-545-9660. Please ask friends and relatives not to call the emergency line for administrative or non-emergency reasons.

Cell Phones and other communication devices: Disconnecting from the world of electronics is a necessary part of camp community building. We recognize that adults may have family and business requirements that require them to make contact. Please do not use your cell phones and other communication devices in the company of others. Please set your phone to vibrate or silent if you must carry it with you. If you must carry your phone with you, please let voice mail answer the phone and retreat to an isolated place to check the message and return the call. The best option is to leave the phone at home. The next best option is to turn it off, leave it in your belongings at camp and check it occasionally or use it only if need be. Third, if you must carry the phone with you at camp, please honor the above guidelines.

Cabin Sharing: If you have a request for sharing a cabin please let us know. Also let your friend know that he or she will need to make the request too. When we have *both* requests, we will make the effort to lodge you in the same cabin.

Photographs and Publicity: By registering for camp, campers and parents agree that photographs taken of campers may be used for promotion by the New Hampshire Conference, United Church of Christ including, but not limited to: camp brochures, promotional slide shows, video presentations, CD- Roms sold to campers, the Horton Center website and other Horton Center internet sites.

Group Photos: Every adult camper will receive a photo of all the people in their camp

Tiered Pricing Information: Realizing that families have different abilities to pay, Horton Center has instituted a voluntary three-tier fee program.

- Tier 1 is our historically subsidized range and does not reflect all costs of operating our summer camp programs and site.
- Tier 2 more closely accounts for the costs of camp including wear and tear of building and grounds.
- Tier 3 more closely reflects the value of attending camp without subsidies.

Please choose the tier that is most suitable for your family. **All campers receive the same Horton Center experience regardless of what tier is chosen.** For those families that cannot afford Tier 1 additional financial assistance is available to ensure that everyone has the wonderful opportunity to attend camp.

Scholarships: Many local churches have their own camp scholarship program. Please ask your pastor if such a program is available in your church. Additionally, partial scholarships are also available from the New Hampshire Conference UCC for members of United Church of Christ churches. Application for scholarships are in the back of this guide **Applications are due by May 15.** Applications received after May 15 will be considered only if funds remain after on-time applications have been disbursed.

Medical Forms & Policies

Health Form Requirements:** No medical examination is required for adults. Adults must sign and submit a one page health form (**FORM 4**) authorizing 'permission to treat' in the event of emergency and list emergency contacts. Either mail the health form beforehand or bring it with you. We'll have some on hand when you arrive but it's best to get this out of the way beforehand. Form 4 can be found on our web-site. ***Please inform us of any allergies, dietary restrictions, or special needs in advance, so we can support you appropriately.

Medications: During adult-only events at Horton Center, adults may keep medications (prescription or non prescription) with their belongings. We ask that you be discreet and keep medications out of sight.

Health Care: **There is no nurse on duty for adult camps.** Adults are responsible for their own health care. In the event of an emergency participants will be brought by ambulance or arranged ride to the Androscoggin Valley Hospital in Berlin, NH. Please be advised it is over a half hour from Horton Center to the hospital.

Insect Repellent and Sunscreen: Lyme Disease and other insect-borne illnesses are a risk in any outdoor activity in the state of New Hampshire. Campers need to bring and apply appropriate, non-aerosol insect repellent. Exposure to the sun also carries risk. Campers need to bring and apply sunscreen with an SPF factor of at least 30 before outdoor activities. Please send only sunscreens and insect repellents in non- aerosol containers.

(We know this isn't much fun to read, but my oh my it makes everyone's life easier!)

Request for a Horton Center Counselorship

Thank you! Our program would not exist if not for the incredible gift of time offered by our counselors. Thank you for valuing the ministry at Horton Center enough to offer your time.

About Counseling: If you would like to counsel but are not sure how to begin, start by contacting us at camp. (lchatfield@nhcucc.org or karen@pilgrimlodge.org or 207-724-3200) We'll ask you if you have particular weeks in mind. So what is it like these days to be a volunteer counselor at Horton Center? First and foremost, it's about making sure that each camper is safe, welcomed, and having the best week of their summer. From the start, you'll be supported by the Deans (volunteer leaders, 2 per session), and the staff. You'll go through a training session before camp. **You'll arrive the day before the campers at Horton Center,** to connect with your co-counselors, Deans, and go through additional camp led training. When the campers arrive Sunday, the fun begins! Two counselors stay in each cabin. Counselors go through the day with their campers, sometimes co-leading activities. We make sure you get a rest in the afternoon, after a daily meeting where you check-in with the Deans and counselors. Afternoon and evening program is a blend of counselor led and staff led activities. Being a volunteer counselor at Horton Center is fun, tiring yet energizing, and can have a deep impact on the life of a camper. You'll be asked to read a short book on counseling and take an on-line exam and print out the certification of completion (only the first time you counsel.) You'll also need reference forms and a background check authorization.

Counseling when your child is at HC: Some parents hope to counsel when their child is at camp. You know your child, and whether or not this is a good idea for them. We find that for some younger children it works out fine. Middler and Senior High campers usually tend to do better given their own time and space at HC. Unless there are extraordinary circumstances, we will not place your child in your cabin. It is difficult to step out of the role of parent and trying to be a camp counselor to your own child.

Counselorships: Counselors do not pay to come to camp! If you have an immediate family member attending camp this summer, you can receive a \$50 Counselorship (\$25 for the half-week long session) toward his or her camp fee. Please, immediate family only. Counselorships are not offered to CIT's and are not to be used for oneself. Counselorships must be applied in the same year that you counsel.

Counselor Name: _____ Phone _____

I am counseling for this session: _____

Please apply my Counselorship to (camper's name) _____

You can mail this form (140 Sheep Davis Rd. Pembroke, NH 03275) or bring it with you to camp. If you're counseling after you camper's session, it is helpful to us to have this form *before* the camper's session begins.
